      Career Oriented Interests

      <h4 id = "d2"><p class = "fontdiv">I am always intrigued by constant exposure to learning and
      experiences. Consequently, I enjoy taking online courses from Coursera, Khan Academy and Udemy etc.
      I have always had an exception grasp on Mathmatics, Physics, Computer, Biology and Chemistry. I have
      succesfully completed numerous internships in many reputable organisations. I am an enthusiastically
      <em> goal-oriented Bachelor student  of Electrical Engineering</em> currently broadening his aspects
      at Bilkent University. A quick Learner who has grasped the SEO skills of the market and worked as a
      freelancer at majority of the online marketplaces. Nowadays, looking to enhance my skills and passion
      about Machine Learning and wanting to learn Game and App Development. Assuredly i want newer
      experiences and gain new expertise whilst searching for Internships for 2020. Click <a href =
